Instructions for Completing Investigations and Requests Form

- 1. Each unique land location requires its own form. (i.e. if a landowner is requesting approaches on two quarter's each quarter must have it's own form.**
- 2. More than one request can be filed per land location (i.e. if a landowner is requesting a culvert, and brushing on the same quarter they can be included on the same form.)**
- 3. All addresses must include complete mailing address particulars – for follow up correspondence purposes.**
- 4. When a request for road construction is being made ensure additional questions which relate to new road construction are also completed.**
- 5. Reason for applicant making request MUST be indicated in the "Notes" portion of the application (i.e. farm access, brushing at intersection due to blocking traffic control signs, etc.)**
- 6. All Forms MUST be signed by the applicant.**
- 7. All Forms MUST be signed by the M.D. representative (councillor or employee) assisting with the application or receiving the application from the ratepayer.**
- 8. Applications without all the required information provided will not be considered until such time as all the information is provided.**

DEADLINES for inclusion in following construction year:

Road Construction requests MUST be in the M.D. office by September 1 to be considered in the following year's construction program.

All other requests MUST be in the M.D. office by October 15, to be considered in the following year's programs.

For Municipal District use only:
