

...IS NOW IN CLEAR HILLS COUNTY!

Independent, Local Merchants Working Together: Be part of a vibrant, local business cluster. Concentrate on running your online store, not the technical infrastructure associated with it. Share ideas in a network of independent, local merchants working together to boost online sales as well as store traffic. This is a unique opportunity to promote your business within a collective, shared effort that not only reduces the cost and complexity of your online presence, but boosts your ability to bring people to your store.

Merchant Benefits:

- FREE online store that is PayPal compatible
- Unlimited number of products and transactions
- Web-based business skills and internet marketing training
- Access local, regional and world markets
- Cooperative marketing power to increase sales
