

Clear Hills County

Effective Date: November 25, 2003	Policy Number: 3204
Title: ROAD CONSTRUCTION FIVE YEAR PLAN POLICY	

1. **Policy Statement**

- 1.1. Clear Hills County will implement a road construction plan which will provide for the maintenance and upgrade of all County roadways, within a timely and cost effective structure.

2. **ROAD CONSTRUCTION FIVE YEAR PLAN POLICY**

- 2.1. Criteria used for the identification of major roadways eligible for new construction or upgrading shall include but not be limited to the following:
 - Traffic counts;
 - Higher than average percentage of industrial traffic;
 - Alternate routes for traffic flow;
 - Location of primary/secondary highways and their upgrading schedule; and
 - High maintenance roads.
- 2.2. Major roadways in the County that would be eligible for construction will be identified and prioritized on a yearly basis prior to budget finalization.
- 2.3. Roads scheduled for surfacing and or chip sealing/coating shall be upgraded at least one year prior to surfacing occurring.
- 2.4. Funds for the upgrading will come from the annual construction budget as approved by Council.
- 2.5. All available Federal and Provincial grants shall be utilised when conducting the projects.

3. **End of Policy**
