Request for Proposals
Recreation Area Maintenance & Operation Services
RFP # 2022-P01 Sulphur Lake Recreation Area

Clear Hills County has an agreement with Alberta Environment and Parks to operate the Sulphur Lake Recreation Area. The intent of the operating agreement is to ensure that the recreation area remains open for the public to enjoy.

The County is seeking proposals from within the communities Sulphur Lake serves to operate and maintain the recreation area on behalf of the County.

The overall scope of the operating agreement includes the collection of camping fees and the maintenance activities required for safe public use of the day use, boat launch and camping areas.
