

CLEAR HILLS COUNTY

October 20, 2023

Attention Proponents:

ADDENDUM NO.1 - Request for Proposal 2023-P14 Multi-Function Devices

Please find below an addendum to the above-noted Request for Proposals.

3.2.2 Project Deliverables

The minimum requirements for machine #1 states "4 GB RAM and 640 GB Hard Drive". The County is willing to entertain other sizes and forms of drives.

Please print your company name, print your name and sign the addendum and include it in your package when submitting your completed proposal.

If you have already submitted your proposal, please print your company name, print your name and sign the addendum and fax the signed addendum to Clear Hills County, Attn: Lori Jobson, Corporate Services Manager at 780-685-3960 to confirm you have received it and acknowledged its contents and the impact of the changes.

Thank you,

Lori Jobson
Corporate Services Manager
